

# ENERGY super

## Hard water detergent for professional dishwashers

- High performance ■ For hard water ■ Concentrated

### Product profile

- ENERGY super has an excellent cleaning performance, even in hard water and under extreme conditions.
- Cost saving and effective through its highly concentrated formula for low dosing.
- In order to obtain uniform results ENERGY super prevents lime deposits, makes water soft and has exceptional ability in sequestering water hardness.
- Thanks to its high efficiency ENERGY super delays maintenance descaling operations.
- In addition of its cleaning qualities ENERGY super also prevents bad smell on the dishes.

### Area of application

- For all types of dishwashing machines e.g. big ribbon and single-tank machines.
- Applicable for all alkali-resistant dishes and cutleries.
- Do not use for dishes and cutleries made of aluminum and silver.
